this is why pirates wore eye patches i m a useless info

May 20th, 2020 - contrary to popular belief pirates didn t wear an eye patch to cover their missing eye not everyone could be missing an eye after all the real reason was so they could fight in the dark if you think of a typical pirate fight it involved pirates fighting both in the deck and under the deck'

'eye wonder pirates by dk 9781465418579

May 27th, 2020 - about eye wonder pirates if your child fascinated with pirates eye wonder pirates is the perfect tool to encourage your child to explore and learn about the subjects that already hold an interest and pirates are fascinating to children and adults alike eye wonder pirates is packed with pictures and activities to appeal to visual learners and the book takes us right into the"***why pirates actually wore eye patches tricia levenseller***

May 21st, 2020 - the pirates would frequently traverse between the two by wearing an eye patch one eye was already accustomed to the dark so when the pirate went below deck he would simply lift off the eye patch and go about his business now you might wonder were pirates really so impatient that they couldn t wait a few seconds for their eyes to adjust'
